# QUANTUM OF WORK DONE IN THE DEPARTMENT SINCE MAY 2024

## NUMBER OF CASES DONE IN VARIOUS OT'S

- Total No. of elective general surgical operations = **3947**
- Total No. of emergency surgeries in Trauma OT = **2351**
- Total No. of elective surgeries in ENT OT = **1746**
- Total No. of emergency surgeries in ENT OT = **185**
- Total No. of elective surgeries in Ophthalmology OT = **303**
- Total No. of elective surgeries in SSH OT = **4359**
- Total No. of elective surgeries in LDH OT = **3214**
- Total No. of emergency surgeries in LDH OT = **18687**
- Total No. of elective surgeries in Paediatric OT = **1152**
- Total No. of emergency surgeries in Paediatric OT = **230**
- Total No. of elective surgeries in BNJ OT = **6243**
- Total No. of emergency surgeries in BNJ OT = **5837**
- Total No. of ECT'S in Psychiatry hospital = **3164**
- Total No. of Ketamine infusions in Psychiatry Hospital = **204**
- Total No. of procedures in CD Hospital = **2183**
- Total No. of cases done in BURN OT = **119**
- Total No. of cases done in NORA suites (CT, MRI, RADIOTHERAPY, CATH LAB, DSA LAB) = **125**
- Total No. of cases done in GE Lab = **998**

# **QUANTUM OF WORK DONE IN THE DEPARTMENT SINCE MAY 2024**

## **NUMBER OF CASES ADMITTED IN VARIOUS ICU'S AND DAYCARE PATIENT'S**

- Total No. of cases admitted in SICU (Ward 17) = **433**
- Total No. of cases admitted in SSH ICU = **560**
- Total No. of cases admitted in PACU (Ward 10) = **524**
- Total No. of cases admitted in LDH = **910**
- Total No. of cases admitted in BNJ ICU = **16**
- Total No. of daycare patients for Palliative care = **161**
- Total no. of OPD Patients in Pain clinic = **15524**
- Total No. of Blocks in Pain Clinic = **693**
- Total No. of Patients in OPD PAC clinic = **64375 approx**

## **SERVICES PROVIDED**

- We provide Anaesthesia services to all the surgical and allied departments of GMC Srinagar and its associated hospitals.
- We provide Procedural sedation services in various NORA suites.
- We run Critical Care units in SMHS, SSH, BNJ, CD and LD hospitals.
- We run Anaesthesia OPD services in SMHS, SSH, LDH, BNJ and Pediatric hospitals.
- We run Pain and Palliative services in SMHS hospital, both OPD and Day care.

## **ACADEMIC AND TRAINING**

- MD Anaesthesia – 35 postgraduates per year
- DrNB Critical Care Medicine – 2 students per year
- FNB Trauma and Critical Care – 3 students/year
- FNB Pediatric Anaesthesia – 4 students/year
- Undergraduate training of MBBS course as per the new CBME curriculum, 180 students/year
- BSc Anaesthesia course – 8 students per batch
- Diploma Anaesthesia course – 21 students per batch
- Pain and palliative care medicine is a recognised regional centre for Kashmir-Cancer training centre AIIMS (CTC3) by Indian Association of Palliative Care.
- ICMR funded project on – Transcranial Doppler based autoregulation studies for personalised cerebral perfusion pressure sought in TBI : Relation with biomarkers and clinical outcome

## **NEWER PROCEDURES INDUCTED**

- 1. USG guided regional blocks which are now routinely performed for analgesia and chronic and cancer pain management.**
- 2. Scalp block for awake craniotomies.**
- 3. Awake fiberoptic oral intubation in cervical dislocation.**
- 4. Awake fiberoptic nasal intubation in TM joint ankylosis.**
- 5. Fiberoptic & USG aided percutaneous tracheostomies in ICUs.**
- 6. Anaesthesia for bariatric surgeries.**
- 7. Anaesthesia for laser surgeries.**
- 8. Use of thoracic segmental spinals in patients having high risk under general anaesthesia.**
- 9. USG guided neuraxial blocks in obese and difficult spines.**
- 10. High end neonatal surgeries like TEF, CDH etc.**

## **HIGH END EQUIPMENT**

- Department of Anaesthesia and critical care is in possession of latest high-end anaesthesia workstations and ICU ventilators.**
- We have two fibro-optic bronchoscopes, video laryngoscopes in almost all OT's, USG machines in all hospitals, transport ventilators in every facility, portable X-ray plants available in SMHS, SSH and LDH ICUs, defibrillators in all ICUs and OT's.**
- We also have three Critical Care ambulances, one in SMHS, one in LD and one in SSH which are fully equipped.**
