

Government Medical College & Its Associated Hospitals Srinagar

Subject:- Issuance of the No Objection Certificate (NOC) in respect of retiring employees.

CIRCULAR

It has been observed that pension cases of most of the employees in respect of whom departmental actions and other legal proceedings are under process are being forwarded to the Office of Principal Accountant General (A&E) for finalization of their pension cases without obtaining the "No Objection Certificate" (NOC) from the appointing authority which hampers the smooth official business and fair enquiry against the delinquent officials.

In the backdrop of above circumstances, it is impressed upon all the controlling officers/Medical Superintendents/ DDO's of Govt. Medical College and Its Associated Hospitals Srinagar to get the No Objection Certificate (NOC) from appointing authority in respect of the retiring officials before their final NDC is issued for settlement of their terminal / pensionary benefits.

It may be ensured that NOC is invariably obtained from the appointing authority in all the cases of the retiring officials before their cases are processed.

In case of any deviation/ failure the onus shall accordingly lie on the concerned controlling officers.
