

Subject:- Nomination of PIO's & APIO's in GMC & Associated Hospitals, Srinagar and fixing of responsibilities thereof for effective implementation of RTI Act, 2005.

Order No: **651** -AH of 2021

Dated:- **16** -10-2021

Whereas Jammu & Kashmir Re-Organization Act, 2019 extended the applicability of Central Right to information Act, 2005 to the UT of J & K replacing Jammu & Kashmir Right to information Act, 2009 which granted access to seek information held under the control of any public authority only to the residents of erstwhile state. As a matter of consequence, citizens from all over the country have become eligible to seek information from public authorities of UT of J&K under the provisions of RTI Act, 2005.

Whereas information sought under RTI Act needs to be provided in stipulated time frame as envisaged in the provisions of the Act, however, it has been often observed that the controlling officers to whom the applications stand forwarded for providing of requisite information either exceed the stipulated time frame or provide incomplete/misinformation leading to filing of First appeals by the applicants.

Whereas in order to hold back this increasing tendency towards contravention of the provisions of the Act on part of controlling officers, it has become imperative to nominate PIO's/APIO's at sub ordinate level so that applications received under the Act shall be transferred to concerned PIO's under **section 6(3) of the Act for direct transfer** of information to the applicant and hence, any contravention of the provisions of the Act shall be liable upon **concerned PIO & concerned APIO** from whom the assistance is sought by PIO, as the case may be, which would result in effective implementation of the act under rules.

Accordingly, in consonance with section 5 (1) of the RTI Act, 2005, Sanction is hereby accorded to the nomination of PIO's & APIO's in GMC & Associated Hospitals, Srinagar as tabulated:-
