Doctor learning method:-

The students will be asked to join OPD on this day. Students will be divided into groups of five each. Each group will be allotted a case from OPD which needs to be admitted. Each group will follow the allotted cases under supervision till the time of discharge. Each group will engage in history taking, examination of these cases and discuss management with the teacher according to SNAPPS model. The students will attend the clinical rounds regularly.

Plan for End of Posting Assessment:

MCQs /Short answer type Questions/log book checking: 1 Hour

OSCE/OSPE/ Case Presentation: 1 Hour
